PRODUCTS, INC.**

Purchase Order Attachment IQ-2A

First Article Inspection Requirement

A First Article pre-production sample is to be supplied by the Seller and inspected and accepted by the Buyer before normal production can commence. Sample will be submitted as indicated below:

- _____ a. Perform dimensional verification per the PDPI engineering drawing and record data on form FAIR form 10.2
- _____ b. Notify Buyer when First Article is ready for inspection / test. Venue for Buyer surveillance will be determined.
- _____ c. Notify Buyer when First Article is ready for Buyer surveillance at Seller's facility.
- _____ d. Ship First Article sample to Palomar Display Products for inspection and acceptance.

Seller shall include this form and the completed FAIR form 10.2 (if required) with the shipment of the First Article sample.

Seller shall not commence normal production of items beyond the First Article sample without PDPI approval. Final acceptance of all units is at PDPI at the conclusion of incoming inspection and tests.
